SPIRITED CONTEST SUNDAY EVENING

BRYAN AVENUE HOSE TEAM MAKES GREAT RUN TO POSTOFFICE.

The first of a series of tournaments between the hose cart teams of the volunteer fire department took place Sunday evening and resulted in a victory for team No. 2, Bryan avenue. At 6:30 o'clock in the evening the Valley View whistle sounded the alarm and the Bryan avenue and the Florence avenue teams, together with the hook and ladder, made a run to the postoffice building, where ladders were placed and the volunteers scaled the building and in a remarkably short space of time had water on the building. Despite the rainy weather a large number of people congregated at the vicinity of the postoffice and watched the boys work. There will be another run made next Sunday evening and as there is considerable rivalry between the teams, the event in all likelihood will go through in record breaking time.

A fair sized crowd attended the ball game Sunday between the Eagles-Elks and Montana-Tonopah teams. According to the dope book the game should have been an excellent one, but it was far from being up to the standard, though for two innings when the score was tied there was some little enthusiasm. Fifteen hits were made off Hurd, while four were checked against Westall. Of the fifteen hits Bailey has to his credit four out of five times up. The umpiring of Kelley was faultless. THE GAME AT (S). The game at Millers Sunday had a fair attendance, quite a few going down from Tonopah. The Millers rooters were in evidence throughout the entire game. WILL TAKE NO MORE CHANCES

Jack Harrington's family came over from Tonopah on Monday, and are now settled for a season at the Hot Springs. Mrs. Harrington is suffering with rheumatism, and is improving rapidly since taking the hot salt baths. Jack promised to watch the children the first evening they got down there, and allowed the youngest to stray away and fall in a water hole from which he was rescued just in time to save him. Jack is not a success as a nurse and no more chances will be taken on him in the future.—Blair Press.

STREET NAMES ON GAS LAMPS

MUCH NEEDED IMPROVEMENT IS NOW BEING MADE.

Tonopah is certainly becoming an up-to-date city. The visitor in our midst as well as the weary straggler at night can find out the place they are looking for or his own particular domicile if he is in a condition to read. The county commissioners have ordered that all street names shall be placed on the glass case of the gas lamps and painters are now engaged in stenciling the same. The next move is the placing of aluminum numbers over the doors of residences.

VANDERBILT CUP RACE AT BUTLER

Very often, and particularly in America, the fund of sports that folks have or enjoy are confined to field, stream or gridiron. To witness an auto race, where endurance, baring and the all-absorbing speed limit is indulged in seems to include all that one could expect. The auto race as seen at the Butler is the most exciting, and the greatest film shown in Tonopah for months past. Duplicating the short turns, an accident, describing a short corner and showing the prize cup, which goes to the American car.

Maud Miller singing "Silver Threads Among the Gold" made a fine impression, and responded to "We've Been Chums for Fifty Years." All the films—"The Baby Elephant," "The Fountains of Rome," "An Interrupted Card Party," "The Statute and the Drunkard," "Where is My Hair" and "The Bewitching Cabinet" tell stories of all shades of life—satire, humor and divorce. Miss Emmett sings "At the Old Cross Roads," and "Longing for You." Each of the illustrated songs tells a story of human nature and well, by Miss Emmett.

Arthur Burrows, tenor, will open Wednesday evening. His experience has been of the operatic sort, and his efforts will undoubtedly increase the friendship of the Butler with the theater-going public.

ALL SILVER BOW NEEDS IS A MILL

Mrs. W. R. Marshall of Silver Bow, accompanied by Mrs. Jack Bean, arrived in Tonopah yesterday from Silver Bow. Mrs. Marshall, who is extensively interested in mining in the district, says the camp has a great future. Many leasers and owners in the district are working, putting a fine grade of milling ore on the dump, only awaiting the arrival of a mill, which is now being contracted for and will soon be on the ground. "We have the best opportunity for the investment of capital on which a
